Supporting Your Student

Support systems in place

Planners
Google calendars
Teacher websites
Synergy
Student Resource Center
Tutoring for math

Planners and Binders

All students are expected
to use a planner EVERY
DAY!

Planner doesn't look complete?
Use google calendars to help fill
in the gaps.

Binders should be
organized weekly at home.

in the gaps.

Binders should be
organized weekly at home.

Google Calendars!

- + Students should subscribe to all teacher calendars (either through their own google account or their apps4pps account)
- + Parents may also subscribe (primary responsibility is on students)

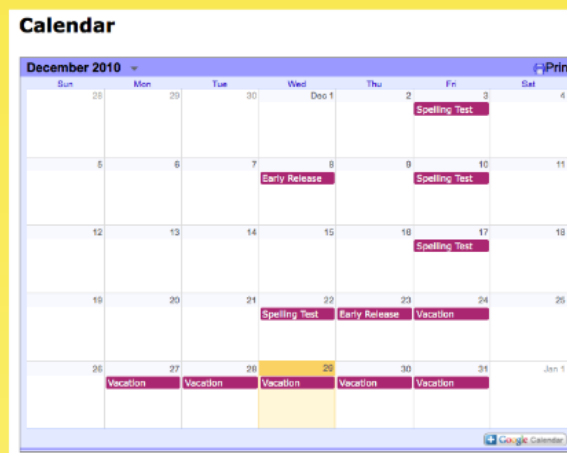

How to subscribe:

- + Login to your google account.
- + Go to each individual teacher website and add the calendar to your own.

How to subscribe:

- + Login to your google account.
- + Go to each individual teacher website and add the calendar to your own.

Once you have Google Calendars

- + Click on the assignment title for attachments or details.
- + Use the agenda view to see a "checklist style" list of what's coming.

Types of Google accounts

All students have an apps4pps account, this gives them access to:

- *Google classroom
- *Calendar
- *Documents
- *NO EMAIL

Types of Google accounts

All students have an apps4pps account, this gives them access to:

- *Google classroom
- *Calendar
- *Documents
- *NO EMAIL

Synergy

- + Same login as apps4pps account
- + Set a weekly time to check Synergy with your student.

(Wed & Thur are great as they allow for time to check in with teachers about missing work)

PASSWORDS!

All students are expected to remember their OWN PASSWORDS!

This is an important life skill. Please help them practice at home by logging in often.
